Viewing Your Lab Results via Online on the Computer

1. Click on the "My Health" tab at the top of the page.

2. Click on the "Results" tab to view all your lab results.

Note: This drop-down menu displays options on emailing, printing, or faxing your lab results.

3. Click on this icon to view the details of the lab result.

Note: This charting feature graphs your lab result over time, if you've done this lab test at least 3 or more times.

Note: This spectrum measures the range of where your lab result is.

The screenshot displays the Sea Mar Community Health Centers patient portal. At the top, there are navigation links for "Send a Message", "Schedule an Appointment", "Hello", "My Account", and "English". Below this is a main navigation bar with "Home", "Inbox (0)", "My Health", and "My Info". A secondary navigation bar contains "Summary", "Conditions", "Medications", "Allergies", "Immunizations", "Results", "Vitals", "Documents", and "Chart". The "Results" tab is selected, showing a list of lab results. The first result is "Rapid Strep - In-house only (87880) 05/08/2018 (1 items)". The second is "A1C (123) 05/08/2018 (1 items)". The third is "Lead Screening (In-House) (83655) 04/20/2018 (1 items)". Each result row includes an information icon, the result name, date, value, a spectrum chart, provider, and source. A "Send" dropdown menu is open over the first result, showing options for "Email", "Print", and "Fax". A charting icon is also visible next to the A1C result.

New	Education	Result	Date	Value	Range	Provider	Source

Viewing Your Lab Results via Online on the Computer

4. This window will open where it shows the details of your lab result.

View Result ✕

Name: Result Date (e.g. 10/29/1985):

Value:

Units:

5. Click "Print" to print this specific lab result.

6. Click "Close" when you are done viewing the details of this lab result.

Viewing Your Lab Results via Online on the Computer

The screenshot shows a patient portal interface. On the left, the 'Sea Mar Community Health Centers' logo is visible. The main navigation bar includes 'Summary', 'Conditions', 'Medications', 'Allergies', and 'Immunization'. The 'Results' section displays a table of lab tests:

New	Education	Result	Date	Value
		▣ Rapid Strep - In-house only (87980)	05/08/2018	(1 item)
		Rapid Strep - In-house...	05/08/2018	see det
		▣ A1C (123)	05/08/2018	(1 items)
		A1C	05/08/2018	2
		▣ Lead Screening (In-House) (83655)	04/20/2018	(1 iter)
		Lead Screening (In-H...	05/08/2018	3 ug/dl

A red box highlights the 'Info' icon in the 'Lead Screening (In-House)' row. A red line connects this icon to a separate window on the right titled 'Lead Screening (In-House)'. This window displays an educational article titled 'Heavy Metal Blood Test' with a 'Print' and 'Email' button. Below the title is a URL: https://medlineplus.gov/labtests/heavymetalbloodtest.html?utm_source=mplusconnect&utm_medium=service. The article text reads: 'What is a Heavy Metal Blood Test? A heavy metal blood test is a group of tests that measure the levels of potentially harmful... More on [Heavy Metal Blood Test](#)'. Below this is another section titled 'Lead levels - blood' with a URL: https://medlineplus.gov/ency/article/003360.htm?utm_source=mplusconnect&utm_medium=service. The text continues: 'Blood lead level is a test that measures the amount of lead in the... More on [Lead levels - blood](#)'. At the bottom of the article is the 'MedlinePlus Connect' logo and text: 'MedlinePlus Connect results for LOINC 5671-3 U.S. National Library of Medicine <https://www.nlm.nih.gov>'.

Note: This information button displays education on the lab test.
