**Washington
Mutual**

History:

Sea Mar Community Health Center is a community-based, 501(c)3 organization committed to providing quality, comprehensive health and human services to diverse communities, specializing in service to Latinos. Sea Mar developed the Annual Charity Golf Tournament to raise proceeds toward college scholarships for the children of migrant and seasonal farm worker families, as well as community holiday parties and the annual Fiestas Patrias celebration. Too often it's the children of migrant farm workers who need their spirits lifted during the holidays and Sea Mar is excited to continue the tradition of celebrating and providing gifts for those who otherwise would not be able to celebrate.

The Event:

This year's 13th Annual Sea Mar Charity Golf Tournament has two celebrity endorsements, our very own Mariner's Baseball Hall of Famer Edgar Martinez and KOMO anchorwoman Connie Thompson. They have been supportive of our event and are participating again in fundraising for our charitable causes. The golf tournament will be held at Inglewood Golf Club in Kenmore, Washington. Inglewood is renowned as a premiere golf course, manicured to perfection. Every tee presents a challenge with an unending variety of fairways. With breath-taking views, and great company, we promise an eventful day. After the tournament, relax in the comfort of the Inglewood Club House and enjoy drinks, food, and festive entertainment, topped off with our traditional live and silent auction.

It has always been our sincere effort to raise funds to continue to meet the needs of our Latino community, and we thank our sponsors who continue to support our efforts. Last year they helped raise \$160,000.00. This year we wish to raise **\$200,000.00!** We know that with your generous support we can meet our fundraising goal. Remember, we're a 501(c)(3) non-profit organization and all donations and sponsorships above the cost of participating in the tournament are tax deductible.
