FollowMyHealth Features Guide: Viewing Your Lab Results via Online on the Computer
Viewing Your Lab Results via Online on the Computer

1. Click on the “My Health” tab at the top of the page.

2. Click on the “Results” tab to view all your lab results.

3. Click on this icon to view the details of the lab result.

Note: This spectrum measures the range of where your lab result is.

Note: This drop-down menu displays options on emailing, printing, or faxing your lab results.

Note: This charting feature graphs your lab result over time, if you've done this lab test at least 3 or more times.
Viewing Your Lab Results via Online on the Computer

4. This window will open where it shows the details of your lab result.

5. Click “Print” to print this specific lab result.

6. Click “Close” when you are done viewing the details of this lab result.
