

FollowMyHealth Features Guide: **Viewing Your Lab Results**

via FollowMyHealth Phone Application

FollowMyHealth®
An Allscripts Solution

FollowMyHealth Phone Application

The mobile portal views will look slightly different on an Android phone vs. an iPhone. But, they both have the exact same tab functions.

Please note that the following screenshots will be views from an Android Phone.

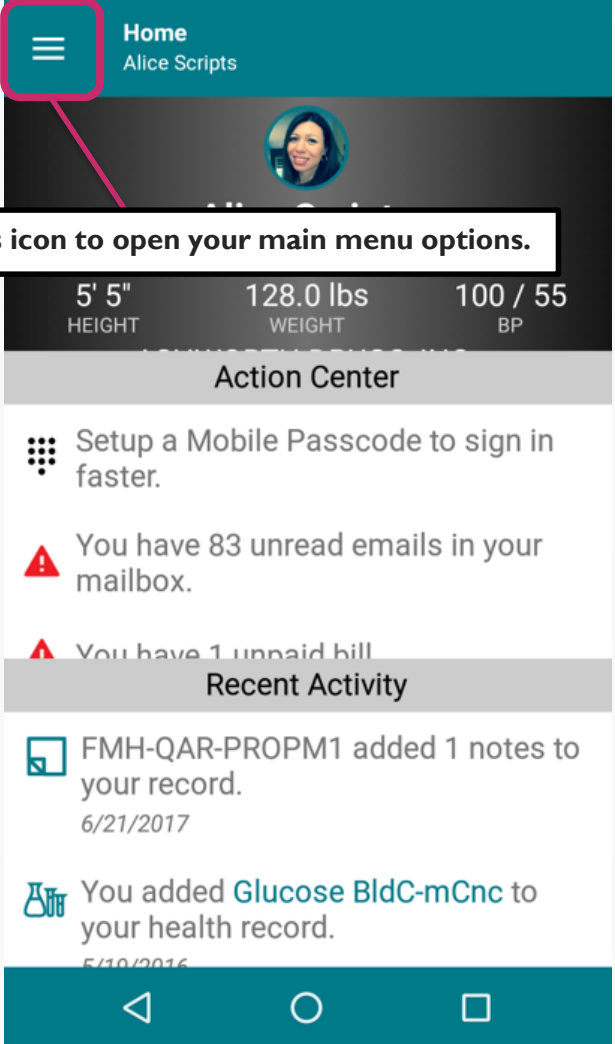

Android

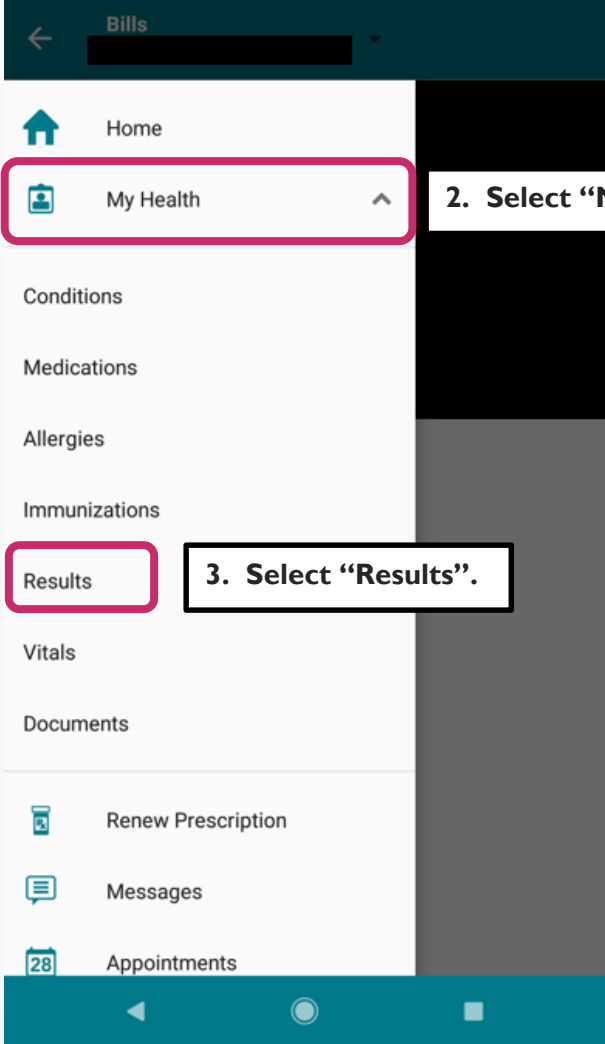

iPhone

Viewing Your Lab Results via FollowMyHealth Phone Application

1. Click on this icon to open your main menu options.

2. Select "My Health".

3. Select "Results".

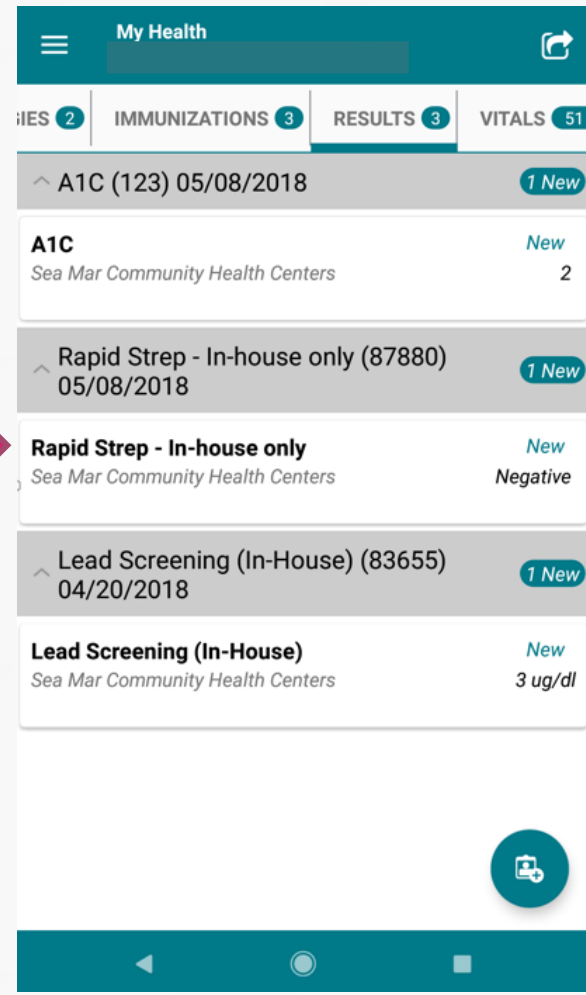

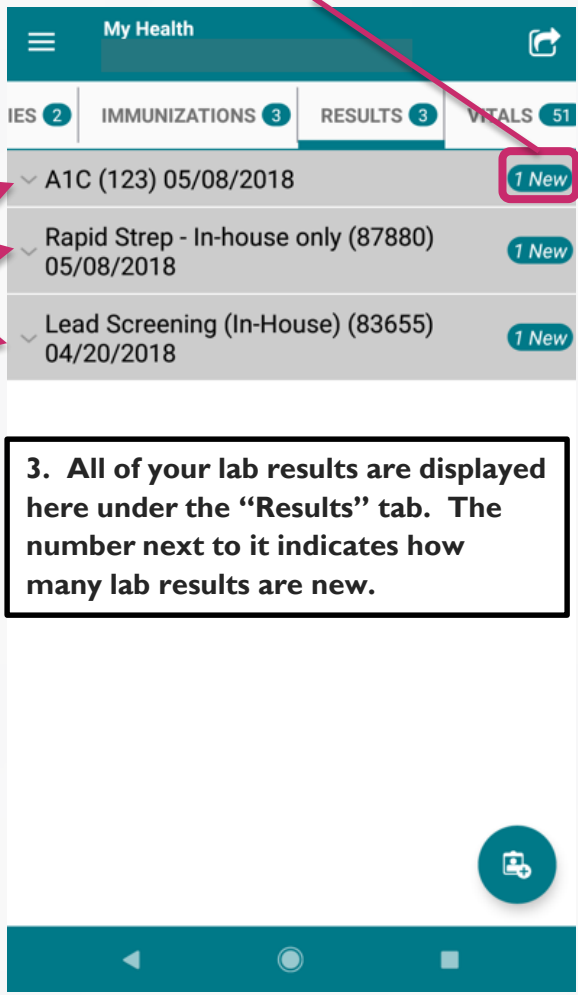

Viewing Your Lab Results via FollowMyHealth Phone Application

Note: This indicates that the lab result is new.

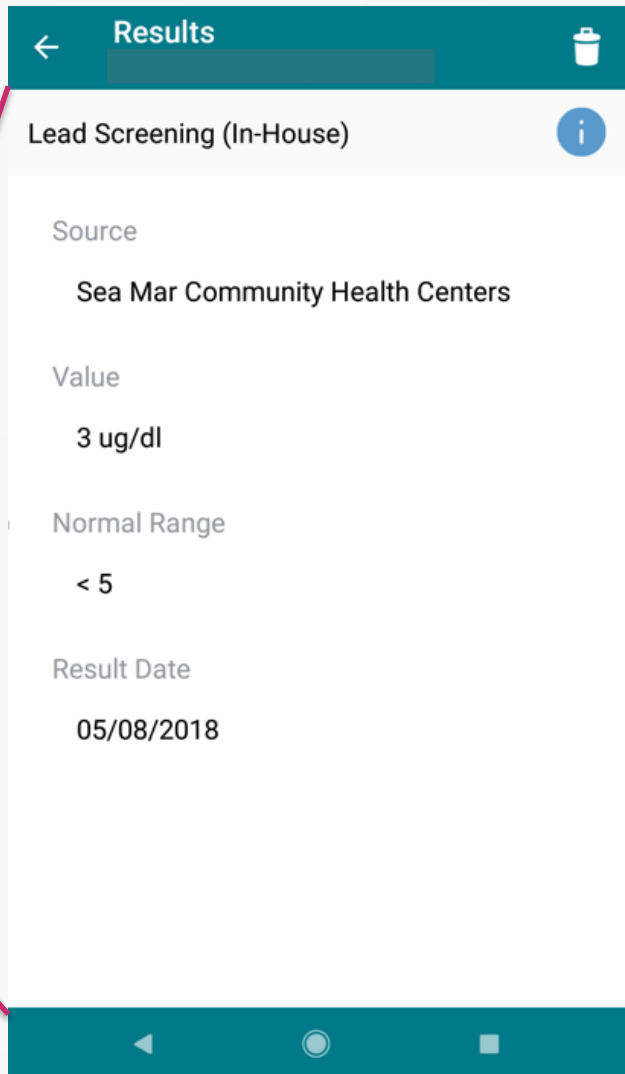

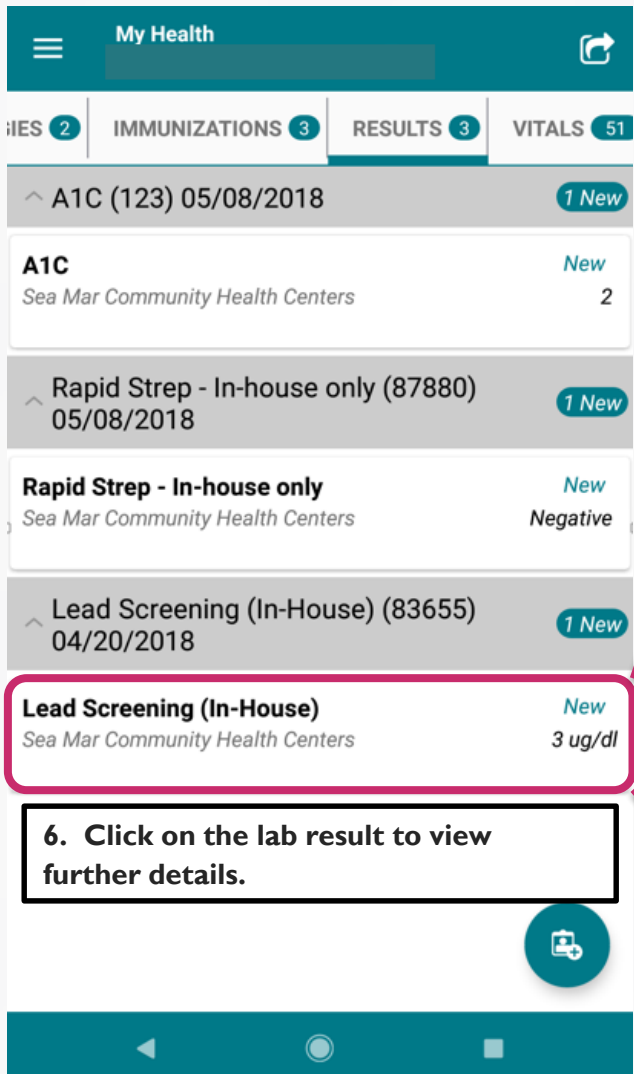

5. Here are the details of the lab result.

4. Click on the down arrow to view the details of the lab result.

3. All of your lab results are displayed here under the "Results" tab. The number next to it indicates how many lab results are new.
